AN ANCIENT DEMONIC SPIRIT IS RUNNING MODERN STREETS, BEDROOMS, COURTROOMS, AND PULPITS.

DO YOU HAVE THE DISCERNMENT TO RECOGNIZE THE TRAP?

In *The Jezebel Booby Trap: Exposed,* former correctional counselor, photojournalist, and minister Rayford L. Johnson blows the cover off the most misunderstood spirit in biblical history. Far from being a simple character study of a Phoenician queen, this book proves that Jezebel is an active, modern-day operating system—a strategic, unisex principality manipulating culture, biology, and relationships in 2026.

Fusing rigorous scriptural analysis with cutting-edge neuroscience on dopamine addiction and reward pathways, Johnson shows how lust and psychological abuse physically rewire your brain chemistry just like hard drugs. Drawing from years on the front lines of county jails and juvenile halls—facilitating groups with convicted pimps, gang enforcers, and manipulative predators—he reveals how the exact same spirit operates behind street trafficking, Greek-letter and Masonic ritual oaths, family court sabotage, and modern hypergamy.

INSIDE THESE PAGES, YOU WILL DISCOVER:

- **The Unisex Predator:** Why Jezebel operates through male pimps, gang leaders, and corporate bullies just as readily as seductive women.
- **The Dopamine Booby Trap:** The neuroscience behind why lust feels unbreakable—and how intermittent reinforcement keeps targets psychologically hooked.
- **The Rise of the Jezebel Robot:** How AI-driven female companion robots offer counterfeit intimacy with "100% total compliance"—a seductive trap designed to destroy traditional courtship, marriage, and family building.
- **Occult & Institutional Enmeshment:** How secret fraternal orders, Greek-letter initiation rituals, and legislative corruption enforce Jezebellic control.
- **Generational Warfare:** How ancient Jezebel corrupted her royal children, and how modern parental alienation and narcissistic parenting perpetuate the curse.
- **The Legal Roadmap to Freedom:** Step-by-step prayers of renunciation to take your case into God's Heavenly Court, break ungodly soul ties, and walk in lasting deliverance.

**STOP FIGHTING A SPIRITUAL WAR WITH FLESH-AND-BLOOD TACTICS.
